PROFESSIONAL SUMMARY

Motivated Full Stack Developer with 6 months of professional internship experience at Avyakti Technology Limited. Skilled in Java, Spring Boot, React, and MySQL. Currently pursuing B.Tech in Computer Science Engineering (BPUT). Passionate about building scalable web applications and solving real-world problems using efficient, clean, and maintainable code. Ready for full-time roles in top tech companies.

WORK EXPERIENCE & INTERNSHIPS

Full-Stack Java Developer Intern

Oct 2025 – Apr 2026

Avyakti Technology Limited (AVYAKTI TECH) – Bhubaneswar/Remote

- Successfully completed a 6-month intensive internship program in full-stack Java development at Avyakti Technology Limited.
- Actively participated in practical training, project development, and skill enhancement activities in the domain of Full Stack Development.
- Built and deployed real-world web applications using Java, Spring Boot, HTML, CSS, JavaScript, and MySQL.
- Demonstrated dedication, creativity, and willingness to learn throughout the program.
- Received Certificate of Completion (AVYAKTI TECH (2025) 004) on 6th April 2026.

EDUCATION

B.Tech in Computer Science Engineering

Feb 2022 – Jun 2026

Biju Patnaik University of Technology (BPUT)

12th Science

Mar 2019 – Jun 2021

IGM Science College, Bhadrak

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript
- **Frontend:** HTML, CSS, React, Bootstrap
- **Backend:** Spring Boot, REST APIs
- **Database:** MySQL
- **Tools:** Git, GitHub, Postman, IntelliJ IDEA
- **Core Concepts:** Data Structures, OOPs, REST APIs

PROJECTS

AI Fraud Detection System

- Built backend system using Spring Boot to detect suspicious transactions via REST APIs.
- Implemented transaction pattern analysis logic for fraud prevention.

Traffic AI Management System

- Developed smart traffic system to analyze real-time data and optimize signal timing.
- Improved traffic flow efficiency using data-driven decision making.

Online Course Management System

- Created full-stack web app using HTML, CSS, JavaScript, and MySQL.
- Managed courses, users, and database CRUD operations.

Portfolio Website

- Designed responsive personal portfolio website to showcase projects and technical skills.
